"IN THE ODYSSEY, HOMER EXPLAINED THE JOURNEY OF ULISSES TO ÍTACA, A BEAUTIFUL ALLEGORY ABOUT LIFE, ABOUT THE ROAD THAT MUST BE TRAVELED UNTIL FINALLY ARRIVING AT ÍTACA'S PORT AT THE TIME OF DEATH. OUR SON HAS ALREADY ARRIVED IN ÍTACA, BUT FOR YOU BEGINS A LONG ROAD, FULL OF ADVENTURES, FULL OF KNOWLEDGE. I HAVE NEVER WANTED TO LIVE MY SON'S DEATH, BUT IF IT WOULD HAPPEN AGAIN, I WOULD LIKE IT TO BE AS IT HAS BEEN"
